

# Golf at the Northwest Turfgrass Expo, October 13 & 14, 2025

*Informational document, June 8*

**Important info to know before you select your golf course preference...**

**The primary Expo golf event is at the exclusive CDA National Reserve, hosted by Zach Bauer, CGCS:**

Your registration fee includes play, cart, lunch, and prize eligibility for this full-field, scramble-team event.

Teams will be made with an effort to be inclusive of multiple associations and allied partners (partner requests are not accepted). Teams will be scored and the top teams will be awarded prizes. Hole sponsors will be displayed.

This property is 19 miles from the resort. We can help you with transportation with your peers if you do not have a vehicle onsite.

**Coeur d'Alene Resort, hosted by Tom Walker:**

For many, a trip to The Coeur d'Alene Resort is incomplete without a round of golf at the renowned CDA Resort Golf Course. We have reserved a limited number of players for a modified shotgun.

This is a great opportunity to enjoy a world-class facility. Teams will be made randomly with an attempt to not include competitors (but not guaranteed). The event is a scramble in the interest of time (and another scramble will be taking place the same time). Because play here is subsidized by the three chapters, there is no payout and the results will not be scored. Hole sponsors will be displayed depending on the number of sponsors.

Your registration fee includes: Fore caddie and Fore caddie tip/play/cart/box lunch

There will be limited shuttle transportation available between the hotel and the course for those without a vehicle.

**Registration:** Specify your preferred course to play. Preference opportunities\* will be based on points and in place until September 1. After September 1, first-come for preference if both properties are still available after all play is assigned to date.

**\* Course Attendee Preference:** One qualifying point per Fall/Spring Meeting attended in 2024 and 2025.

**Allied Partner Preference:** Preference opportunities included within specified sponsorships, or one point for attending a chapter Fall or Spring Meeting in 2024 and 2025. (Only one point earned per a Fall or a Spring Meeting – points are not earned for multiple chapter)

**Only Expo participants have an opportunity to golf at the event.**
